

# PATENTED ADJUSTABLE FLUID RESISTANCE

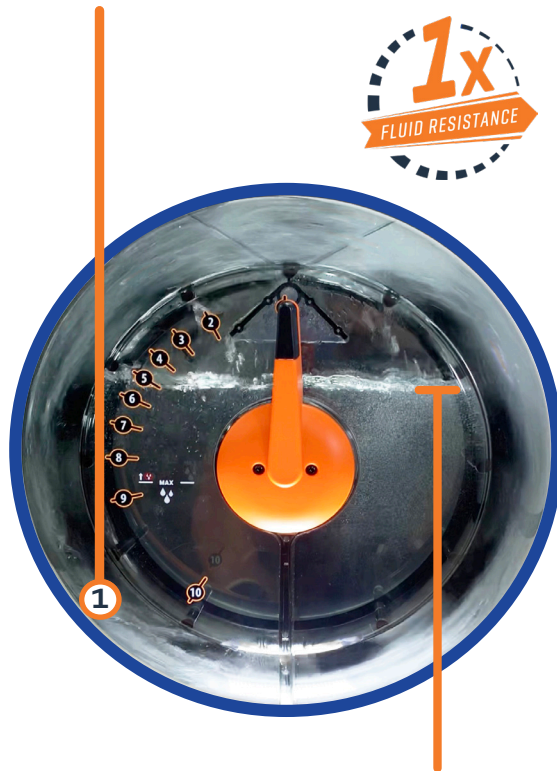

FLUID  
POWER  
ZONE

## LEVEL ONE

### LOW RESISTANCE

Fluid level **LOW** in outer active resistance tank

Fluid level **FULL** in inner passive holding tank

## LEVEL FIVE

### MID RESISTANCE

Fluid level **MIDDLE** in outer active resistance tank

Fluid level **MIDDLE** in inner passive holding tank

## LEVEL TEN

### HIGH RESISTANCE

Fluid level **FULL** in outer active resistance tank

Fluid level **LOW** in inner passive holding tank
